## Let's turn Norwich into a Rainbow!

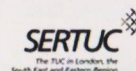

Norwich PRIDE is a celebration of local Lesbian, Gay, Bisexual and Trans life. Everybody is welcome – our central events are free and inclusive. Our aim is to use music, debate, sport, history, arts and entertainment to raise awareness of LGBT issues and to get rid of the discrimination faced by LGBT people. Most of all, we want to ensure that Norwich is a city where everyone feels safe and proud to be themselves.
